"The Panther Way"

Positive Behavior Expectations

At Bennet Elementary, we have high expectations for both behaviors and achievement. Appropriate behaviors are necessary to create the best learning environment for all students. When establishing academic and behavioral expectations, you are enhancing learning.

This year we will be implementing a new behavior plan. Our goal at Bennet Elementary is to encourage and improve academic success for all students by creating a safe, positive learning environment. By implementing a school wide behavior plan this allows staff to be consistent and use common language within the school environment.

The school expectations are posted throughout the building, in all classrooms and have been taught throughout this week. All staff will revisit expectations throughout the school year.

Attached is a copy of the matrix Bennet has implemented supporting the "Panther Way."

Out of the Dust

Novel by Karen Hesse

Adapted for the stage by Cassidy Buescher

Out of the Dust tells the story of a girl named Billie Jo, who struggles to help her family survive the dust-bowl years of the Depression. Fighting against the elements on her Oklahoma farm, Billie Jo takes on even more responsibilities when her mother dies in a tragic accident. This gripping story tells of Billie Jo's stoic courage, as she learns to cope with the loss of her mother and her grieving father's slow deterioration. Can hope prevail in the middle of a dust storm, or does hope only lie *out of the dust*?

Any 9-12 students interested, please come at whatever time during these hours that works for you! We work around sports and other activities!
