TeamMates Book Vending Machine

A special thank you to Mr. Lahmon, School Counselor and TeamMates Program Coordinator, Bennet Elementary was selected as a recipient of the READ Nebraska grant through the TeamMates organization. Through this program, Bennet Elementary received a book vending machine with a significant donation of initial books for stocking. This book vending machine does not accept formal currency and is a token system that we will handle at school. Starting next school year, we will use this as a birthday recognition system for all students and will ensure that all outgoing fifth graders will have the opportunity to receive a book by the end of this year. Thank you for your patience as we get this new and exciting program off the ground.

We are changing the parent meeting to be held on this same morning at 9:00.

Student dropoff will begin at 8:50 and the parent meeting will begin at 9:00 while students attend Kindergarten roundup. Both the students and parents will conclude at approximately 11:00.

Standard Response Protocol

Bennet Elementary's adoption of the Standard Response Protocol (SRP) provides a standardized approach to managing various events, both threatening and non-threatening, that may happen in or around our school.

These protocols provide actions for the following situations:

Arrival and Dismissal Procedures

A few reminders that I would like to share to help everyone get in and out quickly:

- Please have students enter and exit your vehicle on the passenger side of your vehicle. The drop off lane is extremely effective and the safety of your student is our top priority. By doing this, we can ensure that students are not in zones of traffic and are not in harm's way.
- If you are using the parent drop/pick up lanes, please stay in your vehicles. If you would like to park and walk up, please utilize the parking spaces in the interior of the parent pickup/dropoff lane.
- In the afternoon **only**, Kindergarten parents may utilize the bus drop off lane for pickup for Kindergarten students and older siblings. Grades 1-5 will continue to use the primary pickup/dropoff lane. Teachers have now been assigned zones to help aid in the location of your students to help you get in and out quickly.
- For preschool students, we have begun a student drop-off zone similar to the primary drop-off lane. If you would like to stay in your vehicle, a staff member will assist with getting your student out of the vehicle.

Arrival Times

Students that are participating in the Rec program can be dropped off starting at 7:00. All other students can arrive no earlier than 7:50 unless they are utilizing school bussing or the Rec Program. School starts at 8:20 and the tardy bell rings at 8:30. Breakfast begins at 7:50 and ends at 8:20.

PowerSchool

Please check PowerSchool to view grades, missing assignments, and lunch balances. If you need to set up your account, please call Kristi in the office.
