## NEWSLETTER

Bennet Elementary  
District OR 1

October 27th  
Volume 1, Issue 12

*Together, we prepare our students to successfully  
meet the challenges of the future.*

What a great week we have had celebrating Red Ribbon Week, and making positive choices at Bennet Elementary. The students enjoyed all the fun dress up days to promote healthy and positive choices.

Tonight the Bennet Boosters will host a fall festival for ALL Bennet Elementary students and their families at Olson Complex in Palmyra. Please join us for a night of family fun, food, trunk or treating and other family activities.

Please feel free to contact me with questions/concerns at 782-3535. As always, I thank you for your continued support.

### Construction Traffic Flow Update

As the construction traffic at Bennet continues to increase in the coming weeks and months, we want to provide all parents with an update on traffic patterns at Bennet.

There will be a **stop sign** in place at the northeast corner of **Dogwood and Jefferson Street**.

We are currently in contact with the city to propose lowering the speed limit along **Dogwood, west of Jefferson Street, to 15 mph**.

Please also be aware that we are proposing a speed monitoring device along Dogwood Street to decrease traffic speed in that area.

Reminder that **Dogwood Street** is a “**one way only**” beginning at the intersection of **Dogwood and Jefferson streets**. **Adams Street** is also “**one way only**” traveling south from Dogwood.

### **Halloween Parade Information:**

On Tuesday, October 31st, Bennet Elementary will have their annual Halloween Parade starting at 2:10 p.m. Parents who would like to view the parade can stand on both sides of Dogwood street during the parade, as the street will be closed during the duration of the parade.

Please know that parking will be limited, so please arrive early.

All students will begin the parade by exiting out the main entry and walking down Dogwood street (students will walk in the middle of the street).

Please check the front page of the district website for any weather-related changes to the parade route.

As always, we have a few requests for your child's costume. Please make sure that all costumes do not offend any racial, ethnic or gender group. There is to be no fake weapons or props that may be used as a weapon or as part of a costume. If these types of items are brought to school they will be taken by Ms. Walter and returned to parents at a later date. Also, no live animals for props. Instead we ask that you use stuffed animals as props and leave the real animals at home. Make-up that will be part of a child's costume should be simple enough that the student can apply it.

## 14th Annual Trunk or Treat

### Information for Friday, November 3rd, 2023

In order to proactively address some  
projected staffing shortages and limited  
substitute availability, District OR-1 will not  
have school for students on **Friday, November  
3rd, 2023.**

### **Severe Weather Protocol Reminders:**

It looks as though we may be getting into some  
winter-like weather in the very near future, and  
we want to stay proactive in making sure we are  
all ready for any changes.

In case we need to alter school schedules due to  
weather, we will strive to make that decision as  
early as possible to provide time for our families  
to make necessary adjustments.

If a decision is made to close school or to have a  
"late start", we will notify families via the  
District School notification system and **KFOR  
radio at 1240 AM.** These are the primary  
contacts with late start or closing information.

In addition, we will also notify **Channel 10-11  
television** for the Lincoln market and **Channel 6  
television** in the Omaha market of any school  
closings or weather-related schedule changes.  
Our website and Twitter feed will be updated as  
quickly as we can in order to get information out  
in a timely fashion
