# BENNET ELEMENTARY

## NEWSLETTER

Bennet Elementary  
District OR 1

September 29<sup>th</sup>  
Volume 1, Issue 8

*Together, we prepare our students to successfully  
meet the challenges of the future.*

It is hard to believe we are almost in October. The first quarter ends on Friday, October 13<sup>th</sup>. Report Cards will go home during the week of October 16<sup>th</sup>.

Bennet Elementary staff appreciates all your support to keep our focus on student learning.

October is National Bullying Prevention Month. At Bennet Elementary, we take a strong and an active stance against bullying, and create a climate that prevents bullying before it starts. Together we can prevent bullying! This month the students will be participating in the Purple Hand Pledge to take a "Stand Against Bullying."

I want to remind everyone that our morning tardy bell rings at 8:30. Any students entering the building after that time will be counted tardy. Instruction in our classrooms begins at 8:30 every morning. Please remember students dropped off before 7:50 need to attend our Before and After School Rec. Program. Thank you for your help with this.

Please feel free to contact me with questions, concerns or comments at 782-3535 or email me at [walter.lin@districtor1.net](mailto:walter.lin@districtor1.net).

## Counseling Corner

During the Fall of 2023, Winter of 2024 and in the Spring of 2024, the district will be administering the SAEBRS (*Social, Academic, and Emotional Behavior Risk Screener*) survey to all students, K-12. The SAEBRS screener is a short, 20-item survey. The items included in this survey have been extensively researched to include the best indicators of student success in the domains of academic behavior, social behavior, and emotional behavior.

The SAEBRS screener was created under the principle that a student's success in school is not only related to their academic achievement, but also to success within multiple behavioral domains. As such, the district will gather the results of this survey in order to identify and address any academic, social, or emotional barriers that may be hindering the unique excellence of each student. The SAEBRS screener is one tool of many that District OR-1 uses in order to ensure and promote a culture of excellence that supports increased student achievement, social emotional skills, and positive behavior.

If you would like to view the items included in this survey, or if you would like to opt your child out of participating in this survey, please complete the attached form or contact your building school counselor or the school psychologist listed below by **Wednesday, October 4, 2023**. If you would like a printed copy of the opt out form please let us know and we will get it to you.
